

EU REACH CERTIFICATE OF COMPLIANCE

GABLES ENGINEERING, INC.

247 Greco Avenue
Coral Gables, Florida 33146
Ph: 305-774-4400
Fax: 305-774-4465

Gables Engineering, Inc. produces finished articles. No commercial chemicals are produced at this facility. We have evaluated the quantity and compositions of the chemicals used in our operation, and have determined that we are in compliance with current EU REACH regulations. All chemicals are used in accordance with safety Material Safety Data Sheets available from commercial suppliers and manufacturers.

We will continue to evaluate our articles with respect to our REACH obligations. In the future, if any of the substances in our articles are found to contain concentrations higher than 0.1% w/w and are listed in Annex XIV or on the Candidate List, we will immediately forward information about these substances to the respective recipients in accordance with Article 33 of REACH.
